

## **HELP!...STOP THE EVICTION OF OUR HOME!**

### **El Cambalache URGENTLY needs a PERMANENT HOME!**

El Cambalache is a collective that has been supporting thousands of marginalized women, girls, non-binary people of all ages and their families for 7 years through our solidarity economy. This would not have been possible without our HOME and our PRACTICE of creating a moneyless economy.

Currently El Cambalache's collective space; a place where we insistently make other economies possible through moneyless exchanges and barter of food, things and knowledge IS AT RISK! This space is the cambalachera community's home. This is especially true for women and non-binary people of all ages; a SAFE SPACE to go without using money. It has been our SPACE OF COLLECTIVE ACTION for seven years in the neighborhood of Cuxtitali, San Cristobal de Las Casas, Chiapas.

Recently we have been asked to abandon the space that has housed a dream built in moneyless exchanges; a place thousands of people have participated over the years as members of the collective, bartering in the *troje*, and offering inter-change of knowledge with workshops for the community.

We practice community in the heart of a city and carry out inter-changes without money for things, knowledge, skills and mutual aid. Here we have opened the possibility of relating with all living beings, WITHOUT HIERARCHY and with SOCIAL JUSTICE.

Faced with the panorama that voracious capitalism offers us, of destruction of the Earth, insisting on killing all sources of life, and deciding who can have access to clothing, food, housing, health... it becomes NECESSARY AND URGENT to make visible and practice OTHER ECONOMIES that exist and persist since our ancestors.

We see the importance of what we do and because we promote it in community, from our physical and virtual space, we have set ourselves the challenge of OWNING OUR OWN HOUSE.

WE NEED YOUR HELP spreading the word and donating, together, with everyone, EVERYTHING IS POSSIBLE, everything is important and valuable.

Help El Cambalache move forward so that the collective can continue working in the space to making possible another form of social justice economy.

With affection and gratitude.  
El Cambalache Collective
